

TB 12-15

WHEN YOU NEED AN ALL ROUNDER...

Whether your work is arable, vegetable or silage, TB will haul the lot. Available from 15.8m³ through to 34.2m³, TB could be the only trailer you need.

Robust chassis – all models mounted on either an 8 or 10 mm RHS chassis.

Heavy-duty commercial axles – on tandem springs and a sprung drawbar featuring a leaf spring ensures the ride is smooth on all terrains – partially or fully loaded.

Hydraulic braking system – works in tandem with the tractor, vital for sudden braking.

Heavy-gauge sides – plus strengthening channels and heavy-gauge floors with hollow section runners at 300 mm centres.

Long reach chromed tipping cylinders deliver approximately 50° of tip.

Hydraulic rear door – features a lock valve to secure the door tightly, and a safety valve, to prevent the door being opened when the trailer is in the down position.

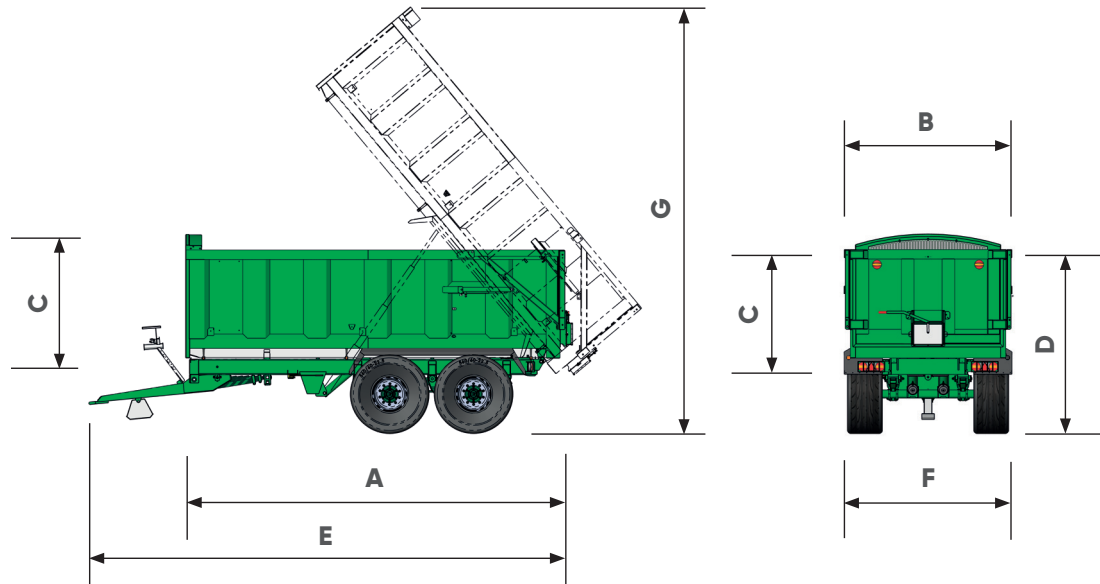

Long reach 2 way rams – retained in any position to allow controlled discharge of free flowing loads, plus greater clearance for heaped loads.

STANDARD FEATURES

- ▼ Sprung drawbar
- ▼ Hydraulic brakes
- ▼ 2 x com/10 stud axles
- ▼ Heavy-duty EN8 towing eye
- ▼ Parking brakes
- ▼ Hydraulic door
